The new hanger doors were installed on March 15, 2009.

The Board discussed the unfortunate death of a hanger tenant. Bill will contact the tenant's wife. The rent on the hanger has been paid up thru May.

The bills were presented for payment. **Motion 175-09 Ed moved to pay all bills. Jim seconded. Role call was unanimous. The motion was carried.**

Citizen Dennis Dickman reported several different open fires at the airport. He questioned whether that was allowed or not. The Board stated that any open fires must be authorized with the airport manager. The Board encouraged Mr. Dickman to check with the manager. Dennis also questioned who owns a specific aircraft. The Board told Dennis to get the N number from any aircraft that is flying in a questionable manner. Then it can be reported to the FAA.

Marc Haston requested a copy of the current ALP map. Bill will mail one to him.

Motion 176-09 Jim moved to adjourn the meeting. With Ed's second the meeting was dismissed at 7:18 p.m.
