The grant is for a new fiberglass Fire Safety House Unit on a trailer. The unit cost \$50,000 and the Fire Department has to come up with a 10% match being \$5,000. The unit should be here in a couple of weeks before Fire Prevention Week.

Fire Chief Scott Chasteen is talking to the Milan Fire Chief to see if they would be interested in the old Fire Safety House. Originally the was given to the fire department from the Southeastern Indiana Building Association and Scott has checked with them and they do not want it back and would like for it to go to another fire department.
