AUGUST 21, 2006
TIME: 6:00 P.M.

Present: Mayor Frank Manus, Helen Gardner, Ken Dornich, Gary Herbert, Glenn Tebbe and Larry Bower.

RE: Budget Work Session.

Council discussed salaries and different ways of compensating the City employees.

DLGF, State Tax Board has told the Clerk-Treasurer that \$1,200,000 will need to be cut from the 2007 budget.

The Clerk-Treasurer has requested Council to turn the budget in on the high side and only cut somewhere between \$800,000 - \$1,000,000 dollars. Clerk-Treasurer told the Council that she had removed paying two employees from Sanitation to the MVH and that cut the budget \$65,525. The \$1,000,000 that has been put in for Health Insurance could be cut back to \$900,000 and that would cut another \$100,000 from the budget for 2007.

Council requested the Clerk-Treasurer to refigure salaries and make a cap on longevity at 10 years.

Meeting adjourned at 8:50 P.M.
