

COMMON COUNCIL AMMENDMENT OF MINUTES ON APRIL 4TH, 2016

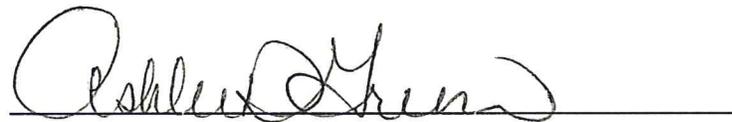

Darren Covington brought to the Council's attention that there was an item missing in Ordinance 2016-3 Sign Ordinance Amendment that the word *feet* should have been added making the Ordinance read 10 feet. Darren Covington also pointed out that the minutes from April should also state that the Police fees off of body cams were going to be tabled until next month (May).
