Design Guidelines Revisions

Kathy Reynolds brought another community’s guidelines on signs for Historic Downtowns to be considered by the Commission. She reviewed several communities guidelines and noted that the City’s current Sign Ordinance doesn’t address historic downtown. The Commission thanked Kathy for her input and guidance, as well as the information.

Fees were discussed regarding the Certificate of Appropriateness (COA). The Commission has told the City Council that we weren’t charging for the COA. It was recommended that this arrangement be monitored and the subject can be re-visited and changed in the future.

Revisions were continued on the guideline draft.

At the August meeting, we will begin reviewing the guidelines for Signs for Historic Downtowns that Kathy Reynolds brought to the commission.

Advisory Board Members

Melanie will discuss Advisory Board members with the Mayor.

Meeting Adjourned.

NEXT MEETING: August 25, 2010 @ 6 PM @ City Hall
