

PLAN COMMISSION

OCTOBER 29, 2012, 7:00PM

MEMBERS PRESENT: Bruce Bockover, Kevin Fleetwood, John Hedinger, Roy Middendorf, Glen Tebbe, Tom Hunter. Blake O'Mara was absent.

Glenn Tebbe, President, called the special meeting of the Plan Commission to order.

Special order of business is the Hitachi Powdered Metals Final site plan approval. David Shew, civil engineer for the project, addressed the commission and explained the site plan. A copy of the site plan was handed out to each commission member. Bruce and Glenn had questions on the drainage and Mr. Shew explained the drainage of the road and building. Gary Murray, City Engineer, said he received a lengthy drainage report and has reviewed the report. Scott Chastain, Fire Chief, has reviewed and likes the new access design. Roy made a motion to approve the site plan as presented. John seconded. Vote taken by role: Bruce yes, Kevin yes, John yes, Roy yes, Glenn yes, Tom yes. Motion carried.

Meeting Adjourned at 7:15pm.

President

Secretary
