1-Chad Kuhns requested a permanent variance at 1801 N. Broadway as allowed by City of Greensburg Code of Ordinances Section 155.074(A) (2). The permanent variance involves the installation of wall signs on a building frontage that does not face a street as required by City of Greensburg Code Ordinance Section 155.074(A). Any sign visible inside from outside should be considered a wall sign per Ron May. The south and east signs are visible from the road. The west sign faces a parking lot. The north sign is inside and is visible from the outside but also faces a parking lot.

Kuhns representative Edward Abacherly asked for consideration and approval.

David moved and Bruce seconded to grant request. It passed 4-1 with Richard voting no.

Meeting was adjourned by President Roy at 7:14 PM.
